 Our canine wellness plans are designed for dogs of all sizes and all ages!

Terms:

These wellness plans have been designed to maximize the health of your dog while helping our clients save money and spread the cost of great wellness and preventive care out over the course of the year.

All wellness plans require a one-year enrollment. All services must be used within one year of enrollment. All plans automatically renew unless you cancel within 30 days of renewal date. The membership fee will be waived and your plan will be renewed at the same price as initial enrollment if your pet stays enrolled continuously.

Membership fee is a one-time fee so long as your dog stays continuously enrolled on a wellness plan.

THE BASICS

- Comprehensive examination twice yearly

Coat/skin/weight evaluation
Ophthalmic (eyes) and Otosopic (ears) examination
Cardiovascular examination
Neurological evaluation
Abdominal palpation
Musculoskeletal evaluation

- Complete Blood Count (CBC)

- Internal Organ Function Screen (Chemistry)

- Core vaccines as indicated:

Rabies, Distemper/Parvo, Leptospirosis, and Bordetella based on individual patient needs and risk factors.

- Annual fecal exam for parasites

- Annual Heartworm test

- Complimentary "wellness" examinations during regular office hours**

- 5% OFF additional wellness services**

****Sick or injured patients, and those patients who require urgent or same day care are not considered "wellness examinations" and will be charged regular prices.**

****Out of hours services, same day emergencies, product sales, and specialist services are not discounted.**

***Dogs must be less than 8 months old, and under 80 lbs at the time of procedure for these discounted spay/neuter rates.**

***Dogs over 100 lbs may incur additional fees for anesthetic procedures such as spay, neuter, and dental cleaning.**

***Additional charges for dogs in heat at time of spay.**
