TERMS:

We have designed these wellness plans to maximize the health of your horses while helping our clients save money and spread the costs of great wellness and preventive care out of the course of a year.

All wellness plans require a one year membership enrollment. All services must be used within one year from enrollment. If you renew a wellness plan within 30 days of expiration, the membership fee for the following year will be waived. Membership fee is a one-time fee so long as the patient remains continuously enrolled.

For maximum savings you may pay for the plan as a "one-pay" and the membership fee will be waived.

Our wellness plans are designed for horses of all ages, breeds, and uses!

EQUINE PERFORMANCE PLUS PLAN:

- Everything included in the Equine Core Gold plan (over \$800 value)
- Once annual lameness/soundness check including hoof testers and flexion tests (more comprehensive lameness evaluation than included in the Gold plan)
- Comprehensive blood panel including a CBC and Chemistry once yearly (\$150 value)
- Radiographs of the front feet to evaluate shoeing and foot balance, check for signs of arthritis and more (\$250 value)
- Two Equine Chiropractic adjustments per year (\$150 value)
- 10% OFF additional lameness services including additional x-rays, lameness exams, nerve blocking, ultrasound examinations, mesotherapy, and laser therapy
